Mr. J. Gelberman, Chief Operations Division
Department of the Army
New York District, Corps of Engineers
New York, New York 10007

Gentlemen:

Subject: National Gypsum Company
Millington Plant
Permit #2SD OXW 2 000570

Because of recently completed water conservation measures, the flow data for our subject plant, Permit Application #2SD OXW 2 000570, is being hereby revised to reflect the new flow volumes.

Submitted herewith are complete revisions of both Part A and Part B, together with a cover letter of certification by Mr. Darwin D. Tucker, Corporate President.

To the best of our knowledge, our total application is now accurate, correct and complete as required. However, if any additional information is required in the processing of this application, please notify this office directly.

Sincerely,

E. L. Jurawicz
